

John Chow at Peace Park, Taipei, Taiwan June 2005

Peace Park is near central Taipei, and is easily assessable by MRT. There are lots of people practising their exercises in the nice surroundings. There are more practitioners during weekends.

A group of Fa Lun Gong practitioners meditating in a pergola.

John Chow posing with a pagoda in the background.

John Chow holding his wooden practice machete, in the standard Abierta Tindig ready posture of Kalis Ilustrisimo.

Kim Fung at a pergola.

No, they are not looking for something on the ground. They are Fa Lun Gong practitioners practising their Chi Kung.

These 4 photos show a very sexy-looking lady practitioner of Fa Lun Gong.

Pond in Peace Park.

Another group practising their Chi Kung in another pergola.
